

Dear families,

Welcome to the wonderful adventure known as Pre-K. Together you and your child will experience many first steps in their educational journey- first friendships, first literacy experiences and first steps to independence.

Our learning is based on varied hands-on experiences and manipulatives. It is done in a faith-filled, non-pressured environment. Your child will have the opportunity to participate in "child created" art projects, simple science experiments and many musical presentations. Letters and numbers are presented in age appropriate settings. While having fun in Pre-K, we recognize that children develop at their own rate and individual style.

Each child will need a non-rolling backpack large enough for an 11x14 envelope. They will also need a lunch box to carry a snack. If you prefer a brown bag, that is perfectly acceptable.

We are looking forward to meeting our new students and seeing some of our old friends. Our year together is going to be great. Enjoy your summer and we'll see you in September.

Your Pre-K Teachers
