Reverend Thomas Walsh, Pastor  
St. Bartholomew Church  
470 Ryders Lane  
East Brunswick, NJ 08816-2765

Dear Father Walsh,

I'm grateful for your willingness to have me at your school's Catholic Schools Week prayer service honoring heroes. Please thank Mrs. Craig and the teachers for their work in preparing the students. It was great to see the whole school in action, from Pre-K to middle schoolers.

But also, thank you for the care and love you have shown to St. Barts, particularly to the school. You have been a gift to the parish and school communities for these many years. I know you faced a lot when you went there, and your steady presence and work certainly has made a lasting legacy.

Have fun blessing candles and throats next week.

Sincerely Yours in Christ,

Very Reverend Jonathan S. Toborowsky  
Diocesan Administrator

Thank you!
