Dear Parents and Guardians,

We are proud to have faithfully lived our mission, to love, educate, and inspire our children to live the teachings of Jesus Christ, for 60 years. As you know, at St. Bartholomew School we provide students with a life-long foundation of faith in God, excellence in academics, and service to others as a way of life. A Catholic education encompasses the whole child - spiritually, socially, emotionally, physically, and intellectually. By means of our partnership with you, we are capable of helping all children meet with success. Pope Francis has called the school a “second home” for children, and Catholic Schools a place where our students can experience themselves as children of God. I encourage you to, in the words of Pope Francis, “be aware of the gift” Catholic schools “are able to offer to all.”

Without a doubt, Catholic education is a sacrifice for families. However, I am certain that the rewards of the education we offer are incomparable. Tuition is kept as affordable as possible. Tuition for the 2025-2026 school year is as follows:

Above all, Christ is the center of all we do and we invite you to remain in our school family. May God's peace be with you as you consider the gifts Catholic education at St. Bartholomew School provides.

God bless you,

Mrs. Theresa Craig
